

## Latex exam gloves

### Medical grade exam gloves

AmerisourceBergen latex exam gloves are powder-free, ambidextrous, single use gloves. Exam gloves are a first line of defense against bacteria, viruses, and parasites while maintaining tactile sensitivity and comfort.

**Storage:** Store in a cool, dry place. Protect from freezing. Open boxes should be shielded from direct sun, x-rays, fluorescent lighting, moisture, and ozone.

**Caution:** This product contains natural rubber latex which may cause allergic reactions.

If allergic reactions occur, discontinue use immediately and consult with a physician.

These gloves are not intended to be used as a chemical barrier.

Product	Item#	Size	Unit
Latex exam gloves	063952	Small	Box of 100
	063953	Medium
