

These premium quality VetOne® sleeves made by Ag-Tek® provide full-arm protection for a variety of large-animal procedures while delivering an optimum strength-to-sensitivity ratio.

Item No.	Description
601042	<b>Sleeves OB MaxiSleeve 1.25 mil - 39" (P100)</b> Disposable, shoulder-length, for examination and OB/Al use. Disposable MaxiSleeve gloves are made from a blended polymer film for an optimum strength to sensitivity ratio. Packaged in resealable, pressure-locked, non-sterile, multi-sleeve packs. Size: 39" length, 1.25 mil thickness. Color: Brown.
602042	<b>Sleeves OB MaxiSleeve 1.10 mil - 39" (P100)</b> Disposable, shoulder-length, for examination and OB/Al use. Disposable MaxiSleeves are made from a blended polymer film for an optimum strength to sensitivity ratio. Packaged in resealable, pressure-locked, non-sterile, multi-sleeve packs. Size: 39" length, 1.10 mil thickness. Color: Yellow.
603042	<b>Sleeves OB PolySleeve 1.25 mil - 36" (P100)</b> Disposable, shoulder-length, for examination and OB/Al use. Disposable polyethylene, packaged in resealable, pressure-locked, non-sterile, multi-sleeve packs. Size: 36" length, 1.25 mil thickness, heavy duty. Color: Blue.
604042	<b>Sleeves OB PolySleeve 1.10 mil - 36" (P100)</b> Disposable, shoulder-length, for examination and OB/Al use. Disposable polyethylene, packaged in resealable, pressure-locked, non-sterile, multi-sleeve packs. Size: 36" length. 1.10 mil thickness. Color: Tan.
605042	<b>Sleeves OB EquiSleeve 1.00 mil - 36" (P100)</b> Particularly useful for Equine exams, EquiSleeve is made of a thin clear 1.00 mil copolymer film, providing the ultimate in sensitivity and softness. Due to the unique copolymer film, the EquiSleeve has extremely smooth seams reducing irritation of the sensitive mucosal lining, while providing the strength necessary for the most difficult exams. Disposable, shoulder-length, for examination and OB/Al use. Packaged in resealable, pressure-locked, non-sterile, multi-sleeve packs. Size: 36" length, 1.00 mil thickness. Color: Clear.
606042	<b>Sleeves OB PolySleeve Sterile 1.25 mil - 36" (P12)</b> Disposable polyethylene, shoulder-length, for surgical procedures. Packaged in individual, sterilized packs. Size: 36" length, 1.25 mil thickness, heavy duty. Color: Blue.
607042	<b>Sleeves OB EquiSleeve Sterile 1.00 mil - 36" Equine (P12)</b> Particularly useful for Equine exams, EquiSleeve is made of a thin clear 1.00 mil copolymer film, providing the ultimate in sensitivity and softness. Due to the unique copolymer film, the EquiSleeve has extremely smooth seams reducing irritation of the sensitive mucosal lining, while providing the strength necessary for the most difficult exams. Disposable, shoulder-length, for surgical procedures. Packaged in individual, sterilized packs. Size: 36" length, 1.00 mil thickness. Color: Clear.
